SCOPING MEMO INFORMATION FOR APPLICATIONS

A. Category

Ratesetting- “Ratesetting proceedings are proceedings in which the commission sets or investigates rates for a specifically named utility (or utilities), or establishes a mechanism that in turn sets the Rates for a specifically named utility, (or utilities). : “Ratesetting” proceedings include complaints that challenge the reasonableness of rates or charges, past, present, or future. Other proceedings may also be categorized as rate setting when they do not clearly fit into one category.

B. Are Hearing necessary?

Yes.

No

If yes, identify the material disputed factual issues to which hearing should be held, and the general nature of the evidence to be introduced. Railroad crossing applications which are not controversial usually do not require hearings.

Are public witness hearings necessary?

Yes

No

Public witness hearings are set up for the purpose of getting input from the general public and any entity that will not be a part of the proceeding. Such input usually involves presenting written or oral statements to the presiding officer, not sworn by testimony.

Public witness statements are subject to cross examination.

C. Issues- List here the specific issues that need to be addressed in the proceeding.
